

STELLENBOSCH UNITE

Stellenbosch needs your critical support

#StellenboschUnite is a collaborative aid action purposed to provide social support to vulnerable community members during the COVID-19 pandemic. The collaboration brings together Stellenbosch Municipality, Stellenbosch University, Visit Stellenbosch (civil society), SCAN (Stellenbosch Civil Advocacy Network, representing the non-profit sector) and the Greater Stellenbosch Development Trust (administrators).

As a first priority we will supply weekly food packages to identified vulnerable families. Once this is established, we will start mobilising to be in a position to offer further aid that might be needed if the pandemic deteriorates. This is an unprecedented situation requiring readiness and responsiveness. We are calling on Stellenbosch to unite and to help us to ensure that no one in our town has to face starvation.

The Need

The COVID-19 pandemic is causing unprecedented social distress in vulnerable communities, and we are asking Stellenbosch to unite. The sudden loss of income caused by the lockdown is rapidly eroding food security and we are calling on everyone to help us to alleviate social suffering in our town.

The Target

A basic provision food parcel for a family of four people will be supplied to minimum 2 500 homes per week.

We require at least R250 000 per week to fund these efforts.

Food Parcel

A food parcel consists of:

- 1 kg Maize Meal
- 1 kg Rice
- 500g Soup Mix
- 2 x Packets Soup Powder
- 2 x Tins of Baked Beans
- 1 x Packet of Salt
- 1 x Sunlight Soap

How will it work

Food parcels will be centrally assembled and distributed through a network of NPO's, community leaders, churches and volunteers to vulnerable families, identified through these networks.
